<p>Limits for Retaining Carryover:</p> <p>¹ Limited to 15%, but a waiver allowed once during three-year period.</p> <p>² Federal dollars must be expended within 27 months of receipt by CDE on a "First In, First Out" basis. Generally this does not pose a problem, but in some cases CDE delays allocating funds (i.e. Program Improvement and Corrective Action Grants) which can mean far less than 27 months to spend funds.</p>
